#### INFORMATION DISCLOSURE STATEMENT

Attached hereto is a copy of the recently received International Search Report, citing only US patents. Also attached is a copy of the cover sheet of DE 103 12 177, which is one of the priority patents of this application, citing six references, of which four are US patents and one (WO 98/54498) is the EP equivalent of US 5,937,893. Enclosed is a copy of the sole non-US reference not already of record.

The undersigned certifies that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Statement.

Attention is directed to 1194 OG 167 (7 January 1997) which states with reference to information submitted in an Information Disclosure Statements "Where the information listed is not in the English language, but was cited in a search report by a foreign patent office in a counterpart foreign application, the requirement for a concise explanation of relevance can be satisfied by submitting an English language version of the search report which indicates the degree of relevance found by the foreign office."

Respectfully submitted,  
Karl F. Ross P.C.
